

How can I subscribe to an RSS feed?

You can subscribe to feeds through a web browser or through an e-mail account. When you subscribe to a feed, it is added to the Common Feed List. Updated information from the feed is automatically downloaded to your computer and can be viewed in most web browsers, rss readers, and other applications. For your convenience links to instructions to various programs are listed below.

Internet Explorer and Outlook instructions:

<http://office.microsoft.com/en-us/help/HA101595391033.aspx>

Mozilla Firefox instructions:

<http://support.mozilla.com/en-US/kb/live+bookmarks>

Yahoo instructions:

<http://developer.yahoo.com/rss/>

AOL instructions:

Go to AOL and search under “rss.”

How can I unsubscribe from an RSS feed?

Following is the link to instructions on how to delete the feed from Outlook (instructions will be similar if you signed up through another e-mail account).
